- Really looking forward to speaking at **#DIA2021**, June 27-July 1! My session, <XYZ>, explores the topics of <X, Y, and Z>. Interested in attending or learning more? Get info on all the sessions here:
- The **#DIA2021** Program just released! Lots of great speakers and sessions this year including <XYZ's> talk on <topic>. Interested in attending? Details here:
- This year's **#DIA2021** Global Annual Meeting theme is Collaboration Without Boundaries. Can't think of anything more apropos in a year where we in the life science community need to truly band together to dramatically impact the state of healthcare, globally. Meeting details here:
- **#DIA2021** is coming up in June and I can't wait to see everyone online! I'm taking the **#DIAVirtualChallenge** and nominating the people I miss the most from past Annual Meetings—<XX>, <XX>, and <XX>. Keep it going—who do YOU most want to see at this year's event? Details here:
- **#DIA2021** is coming up in June. I'm really looking forward to seeing old friends, hearing from others in the field about their current challenges, and exploring solutions to our very significant global health issues. Hope to see you there!
